

Safety Tips for Rideshare Remember to...

- Request ride from inside a safe location.
- Confirm the driver, color, make and model of the vehicle before entering the vehicle.
- Let someone else know where you are going. Use the “Share my ETA” or Send ETA options in the app.
- Know your location at all times. If you are unfamiliar with an area use a map app on your phone to follow along.
- Never pay cash, tip via the app.
- Never show or hand over your credit card to the driver.
- Never tip the driver with cash, you may do so via the app after, reaching your destination in a secure location, such as the privacy of your own home.
- Trust your intuition. If something does not feel right, do not get into the vehicle.
- Drink Responsibly.
