

Community Meetings for Proposed Adult Use Cannabis Dispensaries (January & February 2020)

Applicants are proposing to open and operate Adult Use Cannabis Dispensaries at the noted locations, which requires a Special Use. An application for Special Use must be filed with the Zoning Board of Appeals. The Zoning Board of Appeals will hold a hearing to consider the Special Use application, notice of which will be provided at a later date.

In advance of this hearing, applicants for Adult Use Cannabis Dispensaries are required to hold a community meeting for the purpose of explaining the proposal and soliciting comments on it.

Each of these meetings will be co-hosted by the applicant and River North Residents Association (RNRA). The entire community is invited.
