## CHICAGO POLICE DEPARTMENT

18 District

### SECTION 1 – PROBLEM SOLVING PRIORITIES

Determine and define three problem solving priorities for your District for the coming year, as identified by the community. Provide responses below to delineate how the District will apply the SARA model of problem solving to each priority. **Please ensure responses are specific and detailed.**

PROBLEM SOLVING PRIORITY #1				
Scanning	<b>Priority Title</b>	DRUG SALES		
	<b>Priority Type</b>	<input type="checkbox"/> Violent Crime	<input type="checkbox"/> Property Crime	<input checked="" type="checkbox"/> Quality of Life
	<b>Source</b>	<input checked="" type="checkbox"/> Calls for Service	<input checked="" type="checkbox"/> Community Conversations	<input checked="" type="checkbox"/> DAC Meetings
	<i>Check all that apply</i>	<input checked="" type="checkbox"/> Crime Data	<input checked="" type="checkbox"/> Community Interactions	<input checked="" type="checkbox"/> Beat Meetings
		<input type="checkbox"/> Resident Survey Data		
		<input type="checkbox"/> Other: _____		
	<b>Rationale</b> <i>Explain why this is a top priority for your district. Provide specific numbers for calls for service and/or crime data to support your explanation. Be as specific as possible.</i>	<p>The top five beats in 018th District for Narcotics Loitering and Selling calls based on year to date's (24 Oct 2022) crime data, for the calls for service (CFS) are below compared to 2021.</p> <ul style="list-style-type: none"> <li>- 1834 57 CFS in 2022; 69 CFS in 2021</li> <li>- 1831 62 CFS in 2022; 28 CFS in 2021</li> <li>- 1821 51 CFS in 2022; 169 CFS in 2021</li> <li>- 1824 35 CFS in 2022; 103 CFS in 2021</li> <li>- 1823 26 CFS in 2022; 58 CFS in 2021</li> </ul> <p>These findings were reinforced at Beat meetings by numerous complaints of drug sales in 1834, 1831, 1821. 1823 and 1824 meetings as well as the community conversations for the 2023 018th District Strategic Plan. Although there's been a decrease in CFS, our department will use our utmost diligence to ensure this continues at a decline.</p>		
70	<b>Problem Analysis</b> <i>Explain the problem by describing each of the listed elements. Be as specific as possible.</i>	<p>1. Who is / are the victim(s)? Businesses, tourists and Community members(residents)</p>		
		<p>2. Describe the methods / actions used by the offender (do not include demographic information). Include any identified patterns such as motives, types of weapons used to commit the crime, how they attempt to flee the scene of the crime, etc.</p> <p>Offenders normally approach by vehicle, foot, bicycles (i.e. rental bikes) or public transportation (offenders tend to use the Red Line at State/Grand and Division/Clark due to its easy accessibility). In some cases, offenders have been found to conceal their identity by covering their faces, particularly during this time of the COVID pandemic. Offenders use alleys and CTA property (bus shelter and stairwell) to conceal their narcotic transactions and use. Offenders are both buyers and sellers.</p>

Be as specific as possible.</p>	<p>There continues to be an ongoing gang and narcotics issues on Beats 1821(Evergreen and Sedgwick) and 1823 (Cambridge and Oak).</p> <p>Issues with narcotics and homeless continue in Beats 1824 (Clark and Division) and 1834 (Hubbard and State). Gangs and homeless individuals are in the area where narcotics are being used and sold.</p> <p>It is a possibility that addressing the gang and homeless issues may help reduce the number of calls for service and incidents.</p> <p>Beats 1821, 1823, 1824 and 1834 are in our district's Gang and Narcotic Loitering Hot Spots.</p>

		Clark and Division Collaborative (CADC)	Organize and conduct a positive loitering event and safety workshop.	
		Gold Coast Neighborhood Association (GCNA)	Organize and conduct a neighborhood building/block security assessment and safety walk and talks.	
		Near North Unity Program (NNUP)	Organize and conduct resource and community outreach (monthly community meetings)	
		River North Residents Association (RNRA)	Organize and conduct a neighborhood building/block assessment and safety walk and talks.	
		Old Town Triangle Association (OTTA)	Organize and conduct a neighborhood building/block assessment and safety walk and talks	
		Old Town Merchant and Residents Association	Organize and conduct a neighborhood building/block assessment and safety walk and talks	
		Streeterville Neighborhood Advocates (SNA)	Organize and conduct a neighborhood building/block assessment and safety walk and talks	
		Streeterville Organization of Active Residents (SOAR)	Organize and conduct a neighborhood building/block assessment and safety walk and talks	
	<b>Community Ownership</b> <i>Explain how the Response Strategy and activities listed above will establish and empower the community to take on a leadership role in solving the problem.</i>	<p>During the "positive loitering events," "neighborhood building/block security assessment," "Ambassador Events" and "walk and talks" the residents will be working with members of city services and the Chicago Police Department to help deter narcotics sales in the area. This in turn will help to encourage buy-in of the overall strategy.</p> <p>Partnering with local/area faith-based community members on outreach engagements</p>		
Assessment Plan	<b>Metrics</b> <i>Select the Focus Metric that will be used as the primary measure to evaluate progress for this problem. Then, list any other quantitative and qualitative outcomes that you will use to track progress.</i>	<i>Focus Metric (refer to the District Guidance Document for a list of aligned metrics):</i>  A decrease in calls for service "selling narcotics" and "narcotic loitering" and a decrease in violent crimes (shootings).  <i>Additional Metrics:</i>

	<i>ensure that the Response Strategy is having the desired impact</i>	
		<p>How frequently will District personnel follow-up to ensure the Response Strategy is having the desired impact?</p> <p>SDSC will include bi-weekly updates of the response strategy addressing the priority. OCP, TACT, and Watch personnel will all be able to communicate together during these meetings.</p> <p>Updates will be given at Beat, Business and District Advisory Committee Meetings</p>
	<p><b>Mitigation Criteria</b>  <i>Explain how you will specifically know when the problem can be considered "addressed". Consider both quantitative and qualitative approaches.</i></p>	<p>The number of calls for service on Beats 1834, 1824 and 1821 have decreased for narcotics and violent crimes (shooting). Consistency of below average numbers for narcotics and violent crimes (shooting) for the affected areas is important in considering the problem "addressed".</p> <p>Another important factor which goes into the mitigation criteria is the number of complaints from the Beat Meetings and 2023 community conversation. Residents should be able to notice an impactful change at the beat meetings for 1821, 1823, 1831, and 1834.</p>

## CHICAGO POLICE DEPARTMENT

		<p>This area encompasses the majority of the hospitality area (Hubbard/State, Chicago/Michigan Ave. Chicago/State and Chicago/Orleans) and is frequented by Chicago residents as well as many out of town visitors. Because of large amounts of alcohol being consumed in this area it causes victims to be less aware of their surroundings and increases victimization. Victimization continues to be committed on several levels including fake ride share, strong arm and armed robberies, pick pocketing as well as drug sales that turn into robberies. The potential for physical violence is always present and escalation occurs depending on victim resistance.</p> <p>This area also has high end retail stores with easy access to Lake Shore Drive and 90/94 and the CTA Red Line at Grand/State and Chicago/State to exit quickly.</p>			
Analysis	<b>Problem Analysis</b> Explain the problem by describing each of the listed elements. Be as specific as possible.	<p>4. Who is / are the victim(s)?</p> <p>Tourists, shoppers, employees and residents in the area</p>			
		<p>5. Describe the methods / actions used by the offender (do not include demographic information). Include any identified patterns such as motives, types of weapons used to commit the crime, how they attempt to flee the scene of the crime, etc.</p> <p>Offenders normally approach on vehicle, foot or bicycle. In some cases, offenders have been found to conceal their identity by covering their faces. Offenders in the majority of cases have stated they have a weapon prior to demanding the victim's personal belongings and mostly flee using alley and side streets as their avenue of escape.</p> <p>When on foot, the offenders seem to continue to utilize the CTA Red Line (Chicago/State and Grand/State) The offenders in vehicles continue to exit the area quickly via Lake Shore Drive and on I90/94.</p>

These incidents continue to have a large impact on the retail area of the 18 District as well as the level of perceived safety of the residents and visitors in the area. The incidents have a potential for violence based on the victims' level of awareness.</p> <p>Not only thefts from persons and buildings were problematic for the community on Beats 1834 and 1831, but incidents of motor vehicle thefts have continued to be on the increase as well. 1834: 1 JAN-</p>
